- Be capable of running at the take-off (for paragliding and hang-gliding activities) or to inform us of the opposite when booking, specific paragliding or ULM flights will be possible.

## **CANCELLATION / CHANGES / DELAY FROM THE CLIENT**

In case of an emergency and on presentation of medical proof, DELTA ÉVASION can decide to reimburse the client even though they can not be imposed to. In any case, the client is required to inform the company of any changes regarding the booking : organization, number of participants, delays or cancellation.

## **CANCELLATION / CHANGES FROM DELTA EVASION**

Weather conditions are not a reason to report the activity : the instructors of DELTA EVASION are the only ones that can cancel an activity or not depending on the weather (rain, wind, storm...) at the time.

In that case, DELTA EVASION AND THE CLIENT will decide together on another date or a cancellation. In that case, the deposit will be completely reimbursed.

## **EXCLUSION**

A participant under the influence of alcohol or whose behavior could interfere with the well-functioning of the activity or the security of others, can be excluded without any financial counterpart.
